# The Benefits of MPI Group Membership

If you employ multiple meeting professionals in your organization, MPI professional development and education should not be limited to just one or a few employees.

**MPI Group Membership** allows companies to maximize the professional development, networking, and exposure of your organization, to allow you to better develop your team and help you achieve your goals.

Organizations with multiple MPI members receive a 10% discount on planner and/or supplier memberships. All individuals must join at the same time and be at a single location to be eligible for the discount. Organizations with current MPI members wishing to participate are also eligible if the criteria for Group Membership is met.

## Is my company eligible?
