

# Meeting Professionals International

is the largest and most vibrant global meeting and event industry association. The organization provides innovative and relevant education, networking opportunities and business exchanges, and acts as a prominent voice for the promotion and growth of the industry. MPI membership is comprised of approximately 18,500 members in more than 80 chapters and clubs in 22 countries.

The most valuable aspect of MPI membership is the OPPORTUNITY. I can volunteer, lead, develop professionally and socially, network—and most importantly—find a job.

Event Manager / Events With EAS

MPI membership is an exclusive key for students to connect with senior professionals from the industry. As a member, it gives me the opportunity for great development.
